Cure For The Blues ONE MEDICINE THAT HAS NEVER FAILED Health Fully Restored and the Joy of Cife Regained

When a cheerful, brave, light-hearted woman is suddenly plunged into that perfection of misery, the BLUES, it is a sad picture. It is usually this way: She has been feeling "out of sorts"

for some time; head has ached and back also; has slept poorly, been quite nervous, and nearly fainted once or twice; head dizzy, and heart-beats very fast: then that bearing-down feeling and during her menstrual period she is exceedingly despondent. Nothing pleases her. Her doctor says: "Cheer up: you have dyspepsia; you will be all right soon."

But she doesn't get "all right," and hope vanishes: then come the broodmorbid, melancholy, everlasting

Dear Mrs. Pinkham:—

"I cannot tell you with pen and ink what Lydia E. Unkham's Vegetable Compound has done for me. I suffered with female troubles, extreme lassitude, "the blues," nervousness and that all gone feeling. I was advised to try Lydia E. Pinkham's Vegetable Compound and it not only cared my female Compound, and it not only cured my female derangement, but it has restored me to perfect health and strength. The tuoyancy of my younger days has returned, and I do not suf-fer any longer with despendency, as I did be-fore. I consider Lydia E. Pinkham's Vegetable Compound a boon to sick and suffering

Don't Poison Baby.

FORTY YEARS AGO almost every mother thought her child must have PAREGORIC or laudanum to make it sleep. These drugs will produce sleep, and A FEW DROPS TOO MANY will produce the SLEEN FROM WHICH THERE IS NO WAKING. Many are the children who have been killed or whose health has been ruined for life by paregoric, laudanum and morphine, each of which is a narcotic product of opium. Druggists are prohibited from selling either of the narcotics named to children at all, or to anybody without labelling them "poison." The definition of "narcotic" is: "A medicine which relieves pain and produces sleep, but which in poisonous doses produces stupor, coma, convulsions and death." The taste and smell of medicines containing opium are disguised, and sold under the names of "Drops," "Cordials," "Soothing Syrups," etc. You should not permit any medicine to be given to your children without you or your physician know of what it is composed.
